WOODEN DUTCH DOORS

Dutch Door

This unique, 2-piece door not only provides an ideal entrance to your stable but can serve as an exterior stall door. Your horse will enjoy plenty of light, ventilation, and viewing as well as easy access to and from the paddock. Our unique "weather-protector" closure design (inset) helps eliminate drafts. The upper section (4' x 3') is also available with grill bars and/or weather-tight 1/4" plexiglass. Pre-hung option available.

SPECIALLY DESIGNED CAP
