

AL2 DOORS

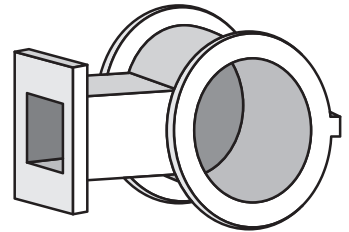

FEATURES

- 1-3/4" 26 ga. pre-finished steel panel with R-12 injected polyurethane foam core
- 3-1/2" Mill finish aluminum frame with dual contact weather strip
- Wrap-around design provides seamless commercial finish
- Nylon lockset insert eliminates lockset loosening - no wood block to deteriorate or absorb moisture
- Pre-hung 4-way universal swing (unless supplied with a window)
- Frame has common threshold top & bottom
- Fixed-pin hinges
- 2-3/4" backset standard
- 2-1/8" bore

**DUAL CONTACT
WEATHER STRIP**

**NON-COLLAPSIBLE
NYLON LOCKSET**
